

BRIEF HISTORY OF SHRI RAM MOHAN JOHRI, IAAS, 1989 Batch

Shri **Ram Mohan Johri** is perhaps the most professionally qualified Civil Servant with degrees galore!

Professional certifications:

- Bachelor of Commerce (Honors), Sri Ram college of Commerce (University of Delhi, India),
- Chartered Accountant (ICAI, India),*
- Cost accountant (ICWAI, India), *
- Certified Information Systems Auditor (ISACA, Illinois, USA),
- Certified Internal Auditor (IIA, Florida, USA),
- Certified Public Accountant (AICPA, Denver, Colorado, USA),
- Masters in Public Management (MPM) from Harvard Kennedy School (HKS), USA and Lee Kuan Yew School of Public Policy (LKYSPP), Singapore.

***The Courses on Chartered Accountancy {he was with PriceWaterhouseCoopers} for four years (1985-89) } and Cost accountancy were done in a period of two and half year and he secured 11th rank in India in CA Examination.**

Work experience:

- **He belongs to the Indian Audit and Accounts Service, premier civil service of Federal Government of India. He is in senior management of the organization of the Comptroller and Auditor General having 28 years of post-qualification experience and is responsible for taking policy decisions. He is a public sector governance professional with key competencies in public administration, accounting (government and commercial), Finance, Taxation, Costing, Economics, Management, auditing and Information systems. He has worked on areas relating to policy formulation, change management and capacity building.**
- **He has contributed to the deregulation of power sector in India by formulation of guidelines (1995) for entering into contract with Independent power producers (including Enron) for generation and supply of electricity. This resulted in renegotiation of contracts with multinationals saving billions of USD to GOI.**
- **While working in Ministry of education, Government of Botswana on foreign assignment (1998-2005) he conceived, designed and established a system of real time budgetary financial control system. He also made substantial contribution in implementing World Bank and DFID projects.**
- **Working with CAG office, he has led the audit team in various prominent National and International assignments (including UN bodies and authorities mainly**

UNDP, UNEP, UNICEF WHO, FAO and WFP). CAG was on the board of UN auditors from 1996 to 2002 and has again been appointed from 2014 to 2020. Has visited more than 50 countries as on date.

- **He has worked as technical advisor to the International Public Sector Accounting Standards Board (IPSAS). He also has been actively involved in Government Accounting Standards formulation and implementation and the migration of Government Accounts to accrual basis accounting. He was a member of the expert committee of Institute of Chartered Accountants of India for drafting of accounting standards for local bodies. He was also a member of committee to formalize IT Audit Manual for International Association of Supreme Audit Institutions (INTOSAI).**
- **Before joining the present charge, he was designated as Chief Information Officer (CIO) of the CAG institution who conceived, designed and implemented a number of IT projects in the department. Some of the prominent among them were making the pension and provident fund accounts available to the government employees in a real time manner, establishing budgetary financial control system with forward integration to E payment and backward integration by real time generation of accounts for all the 209 offices on a daily basis.**
 - **Developed 65 websites to make the working of the offices transparent and effective.**

- Upgraded the system of maintenance of Government Accounts from Oracle 8i to 11G and made contributions to revise the system of back up.
- He has been associated with landmark Audit reports of auction of 2G spectrum and allocation of coal fields which highlighted the governance deficit in GOI.
- He was Principal Accountant General, Himachal Pradesh from September 3, 2014 to September 13, 2017.
- He has recently been posted as Director General iCISA (International Centre for Information Systems Audit) based in Noida.
- In his 28 years of service he has represented the department and delivered about 500 lectures on audit, accounts and information systems at various National and international forums.
